

# Tools for Synchronous Dual Delivery

Please see below eLearning suggestions for tools that might work well in dual delivery.

Setting up a Teams space for your students before starting dual delivery will be beneficial. It will give your students one space to access meetings, share and collaborate on documents and chat. Students on campus will be able to access and join in with the chat without joining the meeting.

Student accessing the session via:	Teams	Zoom	Blackboard Collaborate	On campus
Polling students	TurningPoint	TurningPoint	TurningPoint	TurningPoint
Individual Q&A	Teams chat	Blackboard discussion/Piazza/Padlet	Blackboard discussion/Piazza/Padlet	Blackboard discussion/Piazza/Padlet/Teams chat
Anonymous individual Q&A	Blackboard discussion/Piazza/Padlet	Blackboard discussion/Piazza/Padlet	Blackboard discussion/Piazza/Padlet	Blackboard discussion/Piazza/Padlet
Group discussion	Teams breakout rooms	Zoom breakout rooms	Collaborate breakout rooms	On campus groups
Feedback from group discussion	OneDrive/Teams/Padlet	OneDrive/Teams/Padlet	OneDrive/Teams/Padlet	OneDrive/Teams/Padlet
Working collaboratively on documents	OneDrive/Teams	OneDrive/Teams	OneDrive/Teams	OneDrive/Teams
